ECF CASE

Civil No.: 09-CIV-10155 (SAS)

Judge Scheindlin

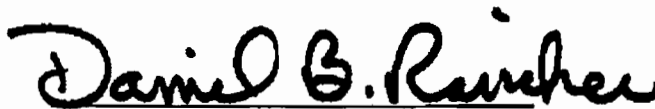

FILED  
DISTRICT COURT  
SOUTHERN DISTRICT OF NEW YORK  
3/5/10

STIPULATED ORDER FOR EXTENSION OF TIME FOR  
DEFENDANT SAMSUNG ELECTRONICS AMERICA, INC. ("SAMSUNG")  
TO FILE ITS ANSWER, FOR PLAINTIFFS AND SAMSUNG TO SERVE THEIR  
INITIAL DISCLOSURES AND TO MAKE INITIAL DISCOVERY REQUESTS

It appearing that Plaintiffs and Defendant Samsung have been engaged in good faith settlement negotiations, that these parties have been unable to complete their anticipated settlement due to the need for additional time to investigate certain complex software codes and uses of the codes, that Samsung's location in Korea has added to a geographical and language challenge that has contributed to the need for additional time to complete the software code investigation leading up to the anticipated settlement, and that these parties believe that their time, attention and resources are best focused at this time on completing the tasks needed for settlement, the Plaintiffs and Defendant Samsung stipulate and agree to a

reasonable two week extension of time for Samsung to file its answer in this cause to March 22, 2010 from the current due date of March 8, 2010. This is the second extension of time for the filing of Samsung's answer. In addition, the Plaintiffs and Defendant Samsung for the same reasons stipulate and agree to extend the date for their exchange of initial disclosures to March 22, 2010 from the current due date of March 8, 20010, and further stipulate and agree to extend the date by two weeks to April 5, 2010 for them to make initial discovery requests of one another.
